Real Life Community and Barfield Merger *The Table, A Church of the Nazarene*

It is official!!! The Real Life and Barfield Churches have now joined into one powerful force in the Murfreesboro Area. This Sunday we shared a Challenge, Communion, and a Celebration of two churches becoming ONE! It was a wonderful day. The congregation will be known as The Table, A Church of the Nazarene and will share three pastors: Dr. Jeremy Selvidge, Rev. Kristie Selvidge, and Rev. Thomas Crummer. In the message I am preaching across the district encouraging our people to BRING PEOPLE TO JESUS, I have shared we must be INNOVATIVE. This congregation is proving to be just that! Please pray that God will continue to move in a powerful way through this church!

Bro. Mike Campbell - Jasper

God continues to move and change hearts and lives at Jasper Church of the Nazarene! This past Saturday we held one of our Men's Ministry gatherings. We had a cookout at a local park, had a devotional and broke off in pairs for confession and prayer. 13 men participated, including a new young father.

Sunday, there was a wonderful spirit in the Morning Service! During worship, hands were raised and people stood to worship Jesus! We introduced a newborn baby to the church family! This young family has been with us for seven weeks in a row! Another couple visited the church for a second week! We are excited for what God is doing in His church.

We are preparing for an upcoming weekend of Revival. We are taking time in each Sunday morning service to pray for Revival and a move of the Holy Ghost. These times of Revival prayers are being led by the laity! We are looking forward to a great season of renewal! These are good days at Jasper Church of the Nazarene! Since I've been pastor at Jasper we haven't had a Youth Group. This past Sunday we had our first Youth Group meeting with 5 youth in attendance. Praise the Lord!

Bro. Bobby McBee- Tullahoma Westside

We had such a great day at Tullahoma Westside this past Sunday, September 14! We collaborated and shared the church service with a recovery ministry that was birthed through our food ministry — our friends from Rooted in Christ Recovery collaborated with us for Family Fun Day. We had 251 people in attendance that day. It was amazing! There weren't enough seats for everyone, so many people were standing at the back of the sanctuary so older folks could have a place to sit. A friend of ours, Nathan Dorrell, brought his family, and they shared the message of the gospel through juggling. Our kids sure did enjoy seeing this, and they even were invited to participate in his story telling. Andrew Fitzgerald led our worship music. In addition to that, we had a special music from both congregations, that ranged from old time gospel music and hymns to contemporary Christian worship songs, and even to an original Christian rap song. Members from both congregations shared testimonies of how God radically saved them and changed their lives forever. There were three spontaneous prayer times at the altar. Pastor Shebbie from Wesley Heights Methodist Church preached the keynote sermon of the day, tying together all of the day's songs, testimonies, and activities. The Holy Spirit was incredibly present the whole day. After the church service, we gathered under a big tent in the

back yard, ate lunch from a food truck, and our kids played in inflatable bounce houses and such, provided by Camp Pastor Michael Mayfield. God is so good!!!

Bro. Gerald Hice- Tullahoma First

I just want to take a moment to Praise God for pouring out His anointing in abundance during our worship service yesterday at Tullahoma 1st Church of The Nazarene. With yesterday being our 1st day as the new Pastor there. We had an incredible service and 75 people were there. The church told me that the average attendance has been 25-30 for the last several, several months. Many of these numbers were 1st time visitors and said that this is now the church that they'll be coming to. God confirmed in a powerful way that I was hearing His voice correctly in His leading me to be the Pastor of this church. I'm so extremely humbled that God has chosen me to be the instrument He's using to accomplish great things at the incredible church.
